## Preferences

# Your Styling Preferences & Lifestyle Needs

### Captured Styling Details

- Preferred color palette includes neutrals like black, white, beige, with occasional bold colors such as red and emerald green.
- Favored clothing styles are a mix of classic and modern chic, emphasizing clean lines and tailored fits.
- Accessory preferences lean towards statement jewelry and minimalist watches to complement outfits without overpowering them.
- Fabric choices favor natural materials like cotton, silk, and wool for breathability and elegance.

### Activities For Recommendations

- Lifestyle needs highlight versatile pieces that transition from day to night and are comfortable for both work and social outings.
- Trip Planned for Beach Vacation
- Beach Time
- Just Casual

Styling

## Recommended Styling Look : Beach Time

- Floral one-piece swimsuit in a vibrant hue to radiate tropical charm.
- Light lace kimono cover-up that adds elegance and breezy movement.
- Statement gold hoops and oversized sunglasses to amplify beach glam.
- Natural textures like straw hats and woven bags for coastal flair.
- Flat sandals or barefoot styling for comfort and effortless beauty.
